Subject: Statement on validation of the partial review report of THEQC

Dear Prof. Dr. Muhsin Kar,

I am pleased to inform you that, at its meeting on 26 October 2022, the ENQA Agency Review Committee validated the partial review report of THEQC. The Committee concluded that the report has been produced in accordance with ENQA's methodology for partial reviews (see ENQA Rules of Procedure, article 7, and ENQA's policy on partial reviews of members under review) and can thus be used to apply for EQAR registration, as well as for any other purposes. This is in line with article 26, paragraph 2 of ENQA's Rules of Procedure, which states that the review report can be further used only once this statement of validation has been issued. The purpose of this statement is to set out the committee's views on the quality of the final report and consistency of the panel's evaluation on the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG).

The committee hereby notes that the methodology for partial reviews has been followed and has no further remarks on the final report.

This statement will be published on ENQA's website as an annex to the review report.

Thank you for your trust placed in ENQA to conduct this partial review. If you have any further queries, please do not hesitate to contact the ENQA Secretariat.

Yours sincerely,

Alastair Delaney
Chair of ENQA Agency Review Committee

European Association for
Quality Assurance in Higher Education
